## A.C.P.F Annual General Meeting

AGM held on Friday 5<sup>th</sup> May the current officers were unanimously re-elected and will continue in post. Chair - Andy Boyce; Treasurer - Jo Hart; Secretary - Sarah Cooper; Minute Secretary - Jill Thorne, Booking Secretary- Alison Montague, Committee Members -Tino Calpaldi, Lauren Montague. We must stress that although the current team of volunteers work efficiently (we think so!) and with a passion to develop and care for our village Playing Field and community building, we are also looking for new 'blood' for a much needed motivation boost!

We would welcome anyone with an interest in village life (all ages welcome) to join the team. We are hoping to recruit further members so that the officers can step down in the near future.

Our accounts were reviewed and the years events and fundraising efforts highlighted during the Chair's report. The question and answer time and methodical report ensured all the parishioners and villagers went away with new and confirmed knowledge that the Playing Field and Pavilion continue to flourish! The next task is the Community Garden... In 2017/2018 we hope to have less focus on fundraising and more focus on developing the field and hosting community entertainment.

### Performances in partnership with Beaford Arts

So far this year we have hosted two events in partnership with Beaford Arts, 'Beneath the Blizzard' and 'As the Crow flies'. Beneath the Blizzard delighted all ages, and fun audience participation made the story more dramatic, remember the bicycle pumps? Following its success and a full house, we hope to successfully bid for similar child friendly events in the future.

'As the crow flies' was a heart warming tale with sweet songs and emotional tale. Picture 'As the Crow flies', held in the Pavilion Saturday 22nd April
